We want to best meet your needs and understand that everyone has different plans for their business goals this year. (LAST YEAR it was \$40 for only 1 Friday per month, we added Saturdays towards the end of the season “for free”, we added November dates at an extra cost.)

Therefore, we are going to offer three options of payments for the 2021 season, you must choose one of the three plans and follow all guidelines attached to such:

PLAN 1: I'm ready to go! I will PRE-PAY in full for the entire season (\$300) by May 1, 2021. I'm fully committed and understand I am getting a greatly discounted deal!

2 days per month for \$40 x 7 months + \$20 Black Friday & Saturday weekend = \$300 for 8 scheduled events.

I will commit to all dates rain or shine, I will not be refunded if I don't show.

PLAN 2: I can commit to MOST of the dates because I am participating in another show! I will PRE-PAY (for chosen dates) by May 1, 2021 and to receive the discounted price I must pre-pay for no less than 5 event dates. I must commit to the dates I choose, rain or shine. I will not be refunded if I don't show. Also, IF my plans change and I want to ADD back unchosen dates, I will have to pay the increased PAY-PER-EVENT price see below.

Plan 3: I have no idea what I want to commit to yet. I want to be in the show but rain scares me, even though Katy always makes it worth my while! I will PAY-PER-EVENT \$80 for both Friday & Saturday, or \$40 per single day. I am not guaranteed a spot and I am not getting the discounted season rate. I must contact Katy and commit to a date no less than 1 week in advance (for paperwork purposes).

We hold events rain or shine at Tanger and your tent will be placed under the walkway if rain is expected. People SHOP in the high-country when it rains...

Please reply with which payment option best suits your business and we will go from there!
