CELEBRATION

Exhibition/Sales Opportunity for 2021 Sculpture Celebration Participants

Large scale works on exhibit at the 2021 Sculpture Celebration will be considered for an additional exhibition and sales opportunity with the Western NC Sculpture Center & Park. This vibrant complex is conveniently located between Lenoir and Blowing Rock, NC in the Historic Happy Valley.

During the Sculpture Celebration, WNCSC&P founders and directors Joe Bigley and Zachary Smith-Johnson will jury in a maximum of 10 pieces for this inaugural rotating exhibition.

Works will be transported to their campus that day following the close of the Sculpture Celebration and will be mounted on secure concrete pads in their extensive outdoor gallery. Sales are subject to a 30% commission.

For consideration, chosen sculptures must be made out of materials suitable for outdoor placement for one year and be constructed well enough to be safe for long term public exposure.

Take advantage of this exciting opportunity to showcase your work by registering for the 2021 Sculpture Celebration. For more information, visit www.caldwellarts.com or www.wncsculpture.com.
